

Legal Operations Case Management Dashboard

Total Cases	Open Cases	Closed/Resolved Cases	Over SLA Cases	Escalated Cases	Average Days Open	Top Department by Volume	Top Issue Type
10	7	3	4	1	3.5	Compliance	Filing Delay

Operational Insights

- Compliance has the highest case volume and average days open.
- Over-SLA cases are concentrated in Compliance, Customer Support, and Legal Support.
- Active workload is primarily In Progress or Waiting on Customer.
- Monthly case volume increased across the sample period.

Recommended Actions

- Prioritize review of Compliance cases and rebalance workload if needed.
- Follow up on Waiting on Customer cases to reduce aging.
- Review over-SLA trends to identify process gaps or handoff delays.
